5. Statutory requirement for this appointment: <b>SDCL 24-13</b>	
6. Educational background. (Specify any degrees or special training you have received including the dates and institutions from which degrees have been awarded.)  <b>Master of Selected Studies-(criminal justice, counseling/personnel management, public administration), University of South Dakota, Vermillion, SD, August, 1986</b>  <b>Bachelor of Arts-(psychology, sociology, business), University of Sioux Falls, Sioux Falls, SD, May 1974</b>  <b>Lifetime of training with the US Army, SD DOC, local and nationwide professional corrections and parole organizations</b>	
7. Occupation(s) for the past ten years. Please include the name of your employer(s) and the description of your duties.  <b>I retired from the SD DOC in June of 2015 after 37 years of employment. I spent the last 14 years of my career in the position of Director of Parole/Executive Director of the Parole Board/Commissioner for the SD Interstate Commission for Adult Offender Supervision.</b>  <b>In this position I supervised the DOC Office of Offender Classification, Transfer and Scheduling and the DOC Records Office, served as Executive Director of the Parole Board, provided operational supervision to the Parole Board Office, supervised the 10 district Parole Field Services Offices, and served as SD Commissioner and Compact Administrator for the Interstate Commission for Adult Offender Supervision.</b>	

8. Background and experience in the area of appointment.

I was in the US Army for 3 years where I worked as a correctional officer, law enforcement patrol officer, and crisis intervention specialist. I then came back to SD and worked in the SD Penitentiary for 18 years in various roles, managed the DOC prisoner classification and transfer system for 5 years, and supervised the DOC Parole Division for 14 years.

9. Please state your interest in this appointment. For example, what would you like to see accomplished?

I have spent my working lifetime in the corrections field, specializing in the security, custody, risk/need classification, and assessment of offenders. The parole board appointment will provide me a way to continue to work in my interest area without full time employment. The major accomplishment of any parole board is to protect the public when transitioning offenders from prison to community supervision prior to their discharge date. The appointing authorities need to find candidates to serve on the parole board who have the expertise, desire, and time to serve on the parole board. I think that I can fill that role.

10. Are you a registered lobbyist? If so, for whom?

No
